

Meet our Vice-President Fundraising Chair:

[Email Brenda](#)

Brenda Jones. Brenda became a foster parent in 1990 caring for children under the age of five. Every child was like a Christmas present to her - not knowing what you got until you opened it. In addition to fostering, Brenda has adopted sibling groups. She says the sky is the limit and you can do anything and become whatever you want to be. Brenda is also a foster parent mentor and leads the Medically Fragile Support Group. Brenda values her relationships with children and is committed to their education.
